Agenda

- I: Charting Your Path to Intellectual Leadership
- II: Creating an Idea Others Will Invest In
- III: Building a Collaborative Team
- IV: Developing a Funding Strategy

Questions
we'll try to
answer ...

- I: Where is my career taking me? when is the right time to go after grant funding?
- II: What kinds of projects need grant support and what kind of projects get funded?
- III: How can I build a track record of success with a team that will make funders confident in our ability to be good stewards of resources?
- IV: How can I attract sustained support for my work without selling out my goals and values?

Rule #1

You Must Invest In
Your Own Work!

(or Nobody Else Will)

What do you need?
Who has it?

▶ Funding Pathways...

Competitions Relationship Building

Good Funding Strategies...

- Have multiple options in both funding pathways
- Create *new fundable ideas* as they move others through the lifecycle
- Seek only the investments they need at the appropriate stage
- Don't chase money, attract investors

**How did
we do?**
